KA的起源

CREATION OF KA

To the ancient Egyptians, KA represented one of the five everlasting essences of the eternal soul. In Chinese, KA means ‘beauty’. According to I Ching, the origin of ancient Chinese wisdom, KA, true beauty is attained when everything in nature is connected to flow smoothly, like a perfectly integrated vision of the universe.

Like the wisdom of these ancient civilisations, KA integrates life into the endless possibilities of contemporary living spaces. Its products are crafted with heart and soul, to realise the dreams of architects and interior design professionals. By creating innovative and expressive sanitary ware that seamlessly connects people with environment, KA harmonises the elements of both ancient and modern architecture to form visions of perfection.

对于古埃及人，KA意味着永恒不朽的灵魂，乃生命组成的五大要素之一。而在汉语中，嘉(KA) 有美好之意。《易经》中有云：「亨者，嘉之会也」，世界万物畅达亨通，美好的事物汇合，恰如宇宙天地浑然一体，是为真美。正像这些古文明的智慧一样，KA卫浴用品在现代生活空间中注入生命气息，融入了设计者的灵魂，实现建筑师及室内设计的梦想。**KA产品融合当代生活的简约元素和极致质量，让设计者实现了「天人合一」的设计，同时成就生活品位。**
